A new student chaplain comes on the scene to remind us to allow the Holy Spirit to be our Guide; Coaches Sziksai and Smith become our spirited athletic leaders; the student body sustains the team victories and defeats; Donna and Mark go Home; so many new faces and babies to carry on the Judson tradition; Todd, Christine, Joshua, and the freshman class; freshman initiation; the midnight oil burns slowly in the night; our R.A.'s expand their duties and we share with one another; groups gather to worship; Godspell is always revived within us; "Shepherd Me Lord" is the theme of first choir tour; Christian Action Pack makes its first dynamic move to minister to the Elgin community;...

THE SPIRIT OF JUDSON

....J-Day becomes an opportunity for our professors to preach and teach the words of our Lord; Dr. John Lavender has lead us closer to new spiritual truths; the dedication of the Fine Arts Building to the glory of God; Dr. Prince, man of 90, stirs our hearts and spirits into service for our Lord; Doug Howell, Good News Circle, Honeytree, The Archers, and others bring their musical ministries; the reach-out teams travelling and singing diligently to spread the Good News; President Weber says Judson's accomplishment will be the sensitivity of the students to the purpose of their infinite worth in Christ.

Lamplighter seemed to light quite a few lamps in their quest to keep students in-formed; Lantern staff made promises they worked long and hard hours to keep; student senate brought us a step closer to operating as a community; spiritual life committee opened our hearts to a closer communion with one another; the Eagles fly high in victory during soccer season, placing second in national Christian colleges; Ryder's Striders came on strong to establish Judson as track and field specialists; basketball fights to win; we make a good showing in Texas with our baseball team; organized intramurals became a part of our lives; Tom Randall puts Judson on the map and will be long remembered as one of Judson's finest athletes; smiles in accounting always meet students as they pay their bills; Pat Shields gets the credit when we realize we are able to stay in school one more tri; Judy Hamilton's echoing voice, "Are you listening to the Master's Voice?"; the bookstore is constantly expanding as Peggy tries to meet our needs; the Fine Arts building is dedicated and is of infinite worth; with the new tennis courts we find students flocking that direction all hours of the day and night; a tennis team is formed; no longer do the baseball and soccer teams wade through mud and dodge three foot craters during practice sessions--a new field takes care of that! Innumerable seminars and new classes are offered; Issues and Ideas has progressed into a new design; GPA's moved up and down; friendships were made and broken; Jesus' Love was constant and sure. All this was part of the Spirit of '76 and so much more...

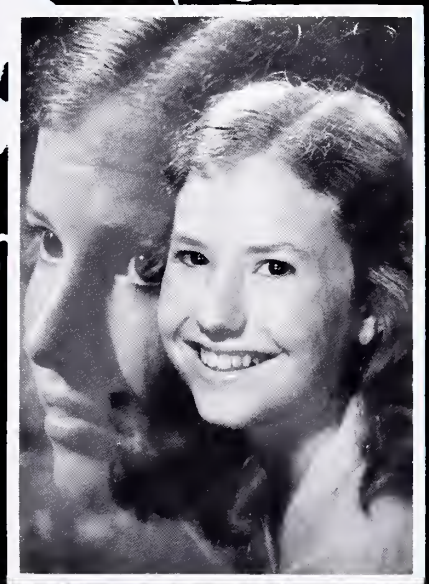

Seed,
 Surely, this is what we be,
 and all together sown--
 With loving hands,
 in God's vast eternal fields.
 Glory not,
 for we have not sprouted yet,
 Oh no,
 Far from that we be--
 For we be seed,
 seed,
 and nothing more
 Safely buried neath our furrows,
 wrapped in friendly soulish sod,
 in darkness
 blind we be--
 Here cold seems warm
 and dark seems bright
 sorrow, joy
 and weakness might
 Alas,
 no wisdom here have we
 For we be seed,
 seed,
 and nothing more
 But,
 rejoice in hope,
 This seed we need not always be,
 For what is seed but dormant life,
 Sheltered in a dying shell,
 a shell which binds
 and yea, conceals
 the glorious life within--
 Tis only when the shell does die
 that seed begins to live,
 And what once was small,
 trite,
 and ugly
 blooms,
 hallelujah!!
 it blooms.
 blooms to joy,
 blooms to flower
 blooms to all we cannot
 understand, -----
 All we someday will lose our shells
 and see our hope revealed,
 but for now,
 we be seed,
 seed,
 and nothing more,

SPIRIT OF

Remember standing on the noblest hill you had ever seen and surveying the most majestic landscape in the world, then suddenly realizing that you were all alone. You panicked for a moment at the thought of never being able to express your jubilation with anyone capable of an empathetic smile and knew that this moment was trapped within you, forever doomed to lack of expression. You may have known for the first time the truth of the old saying "man is a social animal."

Here at Judson we need not concede defeat to the awesome warrior, destiny, and his insatiable drive to see the demise of the spirit of sharing and interpersonal commitment. We are blessed with every opportunity for active participation within a myriad of organizational ministries. This is a wonderfully unique aspect of our ever-growing community. It is an aspect which is virtually impossible to ignore. The whole of one's being is held captive by the freedom of expression created by the atmosphere which floods the campus. We become one with many, rather than one among many. We know we belong because we are WE not just YOU.

For this, Lord, we lift our praise
And in thy Glory, arms we raise
Together we shall joyful be
And mindful always, Lord, of Thee.

Working diligently on their dramas, captain Mike Wood, Rick Kane, Steve Wood, Janet Whitlock, and Cinda Buirley, wrote most of their forceful skits and dramas. Desiring to minister to the needs of a wide range of people, the team put together a program which not only included their talents in acting, but in singing and speaking as well. Creation has added a new dimension to reach-out teams and has paved the way for future teams such as this one. Ministering to several hundred people took them many miles this year. Never will their "Elevator" and "Body" skits be forgotten by those in chapel.

Lord, somewhere I read, that
when two people love deeply,
sharing, caring, giving, forgiving
Sooner or later they begin to Resemble
each other;
Lord, How long will it be before
I look like you?

Travelling about 2,500 miles through Wisconsin, Illinois, and Indiana, Resemblance has ministered in numerous churches, coffee-houses, Elgin Mental Health Center, and the Moose Club. Their 2,500 miles were certainly eventful ones, filled with times of joy and of sorrow. They grew to love each other and grew in their love and dedication to the Lord Jesus. Although they had good times, they had their share of trying times. Though they can look back now and laugh, when they lost their muffler enroute to an engagement, they weren't laughing--neither was Sally Ackemann! Not to be topped in mishaps, our friends found themselves, after an ice storm, in a ditch alongside the road.

Holding onto a soprano has certainly been some task. Fall tri Jan Bullington had this position; Winter tri found Janel Edelen singing in this spot; Brenda Egolf took over Spring tri. Adjusting to a new member each tri didn't dampen the spirits of captain, Mike Snow, who sings bass, Sally Stafford, alto and guitarist, Jon Kobel, tenor and percussionist, and soprano, guitarist, pianist, Ellen Urbin.

This excellent reach-out team has blessed innumerable congregations with their splendid harmony and soothing blend. Originally a ladies' quartet by the name of "Sweet Surrender", the group chose, this year, to add a little variety by selecting two male members, Scott Mathiason and Daryl Christensen. In the process a new name was appropriately chosen--New Song. Lea Anne Johnson, Mary Hope, Ruth Bagwell, Denise Williams, Scott, and Daryl had an exciting and rewarding ministry, backed strongly by their wealth of talent.

REACHING OUT THROUGH MUSIC AND DRAMA

Praise the Lord! His deeds are mighty!

Under the leadership of team captain Roger Strunk, the reach-out team, Emmanuel, meaning "God with us", realized the meaning of their name in a beautiful way. The five member team, composed of Roger Strunk, Liz Johnson, Frank Benline, Diana Shipman, and Tom Johnson, more than tripled their ranks as they were instrumental in leading sixteen new brothers and sisters to Christ. This more than speaks for itself of their powerful and exciting ministry. They shared Christ jubilantly in song and forcefully in word.

Two original team members, Janice Burkey and Dave Aldis, were not able to complete the season, but the Lord provided wonderfully for all. Their 2,000 miles traveling through Illinois, Indiana, and Wisconsin were well spent!

"CHRISMA" — GOD'S ANOINTING

The Summer Reach-out Team, "Chrisma", traveled over 10,000 miles the summer of '75. This talented team shared the message of Christ and His redemptive power in over 60 concerts through the medium of song and spoken word. They lived up to their name as they continuously strived to set themselves apart "unto the Gospel of Christ", and to live by the message which they brought to so many people. Because of their prayerful efforts, many seeds were planted, many lives were changed.

Many memorable experiences were theirs, other than singing and preaching. They were excited to make an album in the Spring. Travelling in an air conditioned van, some wore blankets while others shed shirts. Barry had a shocking introduction when his amp wasn't grounded. Jody fell in love. Beth got a permanent and new hair style. Dan proved "blondes do have more fun". Barry washed his hair in "Janitor in A Drum" accidentally.

A summer long to be remembered by the team members and by all those who heard them.

PEPPY MUSIC TO ENCOURAGE TEAM SPIRIT

The buzzer is sounded. The cheerleaders cheer. The crowd applauds. The pound of the ball and players' feet on the gym floor is heard. Still, there is another sound heard at the basketball games. It is a sound of involvement, of team spirit. The Pep Band is that sound!

Bigger and better than ever was the band this year! Under the leadership of Jay Walden, the average attendance was around twenty-five members. A trip to Chicago produced some new music, such as "Get It On" by Chase and "25 or 6 to 4" by Chicago. Traditional tunes, such as "Tiger Rag" and the school song were also part of their repertoire. The quality of their sound was proof that their practice was not in vain.

The 1975-6 Pom-Pon squad started with one returnee, eight rookies, and a new advisor; they ended with an entire halftime show and a standing ovation from the crowd.

December 10, the girls took to the floor and did "Jingle Bell Rock" while unfurling a crepe paper Christmas tree on the floor to the pleasant surprise of all present.

Valentine's Day brought "Love Will Keep Us Together". Covering the entire length of the gym, the nine were constantly on the move, dissolving one letter to form another to spell "LOVE."

NEW ROUTINES FOR NEW SPIRIT

FROM TOP: Marilee Maddox, Captain Mary Ann Clossman, Anne Davies, Robin Volkman, Brenda Holcomb.

The 75-76 cheerleaders began with high expectations of the soccer season and weren't disappointed, but were sad to see the season come to an end.

With cross country they saw many good meets.

Basketball season brought a gymful of cheering fans. Although the squad lost two strong members, they finished with a roar at the last home game, proud to be cheering the Eagles onto victory.

The squad was strong and worked hard this year. Their routines showed their initiative and creativity.

CHEERING THE TEAMS ONTO VICTORY

LEFT TO RIGHT: Bill Wolfe, Stan Brown, Secretary Tim Eternick, Mark Diehl, Vice-President Jim Fay, President/Treasurer Duane Young.

Judson's LETTERMAN CLUB was again led by the Cross Country team. They sold concessions at basketball games, finished the conference banners for the gym, and helped sponsor the sports banquet speaker. Also, they provided the new name for the track record board and donated funds to the Cross Country retreat!

They've been an active club and certainly are one that Judson students can be proud of.

FELLOWSHIP OF CHRISTIAN ATHLETES' purpose is: To confront athletes and coaches, and through them the youth of the nation, with the challenge and adventure of following Christ; then serving Him through the church and their vocations.

This they've begun to accomplish through their many activities this year. We're supporting you guys!

FRONT: Vandora Lebegue, Wanda Camp, Dana Larimore, ROW 2: Treasurer Sue Cole, President Jim Fay, Vice-President Tim Eternick, Secretary Sandy Barouski, BACK: Dr. Stuart Ryder, Allen Hodges, Carol Latina, Leslie Montgomery, Kathy Klein, Niel Dawson, Professor Robert Erickson.

CIRCLE K found itself busy every month aiding the campus and community. September brought a campus-wide hayride and Kiwanis Peanut Sale. Cleaning the tennis courts was their October activity. The chilly months brought a pancake dinner and bellringing for the Salvation Army. They gladly offered to help with the blood drive passing out cookies to the donors and nibbling on a few themselves. The annual volleyball marathon was a great success. Their float for the Elgin Bicentennial Parade was one that will long be remembered by the Elgin community.

They've worked hard and long, demonstrating their concern for the community and their zealous love for God.

SPIRITUAL LIFE---Chairman Kevin Kelly, Margo Amos, Vanessa Anderson, Joel Shufflin, Pat Hargis.

STUDENT SENATE is by far the most encompassing organization. They, perhaps, should be included in a section separate from others; they are not a club, but our government in every sense. They are directly responsible for electing students to serve on committees ranging from the trustee level to student created committees. Senate gives members the opportunity to learn about governmental processes by getting involved and offers the Judson community an opportunity to have an active voice in the governing body, preparing us for active and conscientious government participation when we leave Judson. The major divisions include: Publications, Social Activities, Spiritual Life, Public Relations, Social Activities, Spiritual Life, Public Relations, Elections, and Student Judiciary.

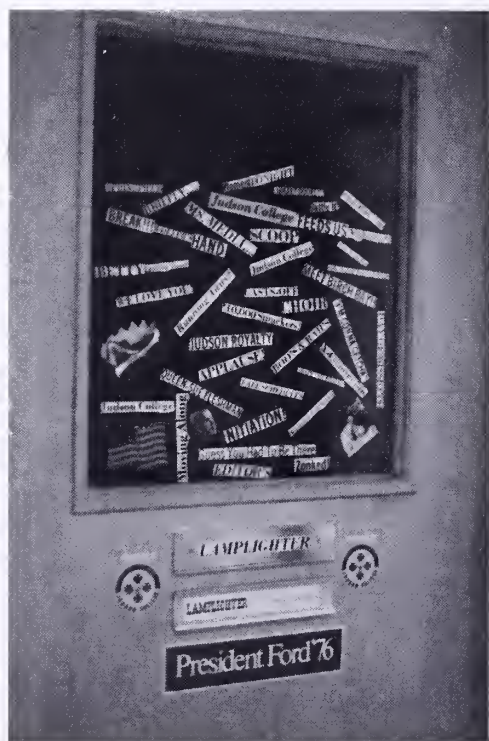

Action is the word appropriately describing our government this bicentennial year. They provided several services to our students including rentable mini-refrigerators, free transportation to and from O'Hare during breaks, expansion of the Emergency Loan Program, textbook exchange for used books. They got involved campus-wide by helping finance the soccer team's trip to VA for NCCAA finals, sponsoring the Blood Drive, working to halt reductions of ISSC allotments, and tracing the '75 yearbook.

Many strides were made this year, proving that Senate knew what the Spirit of '76 is all about.

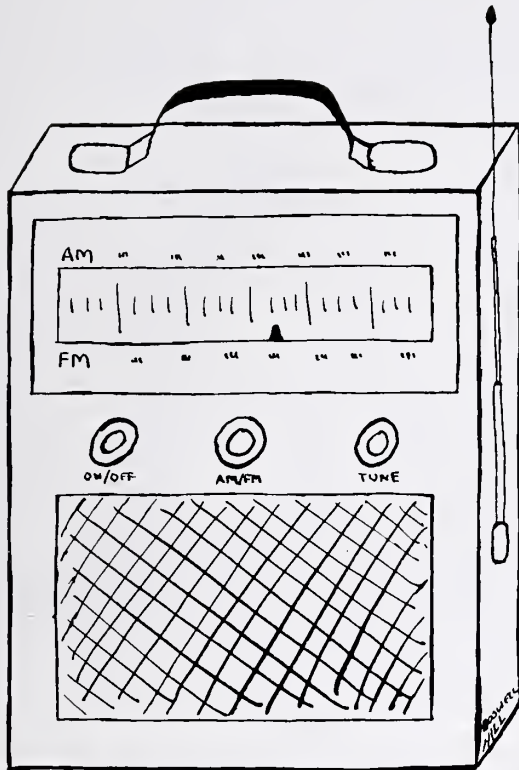

This year the Lamplighter had something for everyone. There was news of coming events, happenings on the world political scene, editorials, and sports. The newspaper was printed on new paper with an extra two pages this year and delivered on a weekly basis. It certainly helped to keep students and faculty informed about campus and world conditions and activities.

The "Voice of Judson College" was silenced this year by technical difficulties. The staff members laid cables connecting the dormitories this fall. However, there were some electrical problems, so the station wasn't able to open, despite efforts to repair cables. We're looking forward to a grand opening of WJUD next fall.

HUMAN RELATIONS AND RELIGION & PHILOSOPHY

L TO R -- Kevin Kelly, Professor Roger Wischmeier, Advisor Dr. Clossman, Sue Cole, Chapel Co-ordinator Pat Hargis, Brent Atkinson, President Harm Weber.

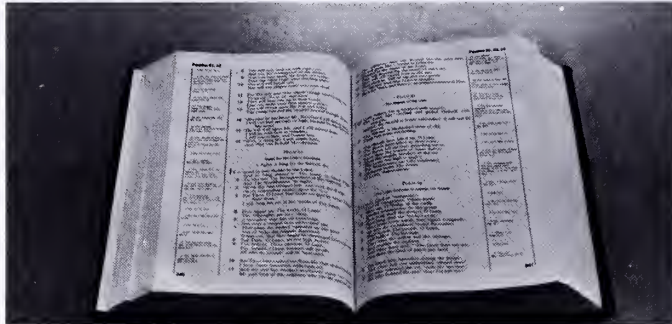

Dedicated is the word which accurately describes this year's CHAPEL COMMITTEE. Chapel sessions have included a wide variety of programs. A diversity of topics were discussed, students preached, sharing chapels were a blessing, choirs performed, and panels debated. Special chapel times included S.E.W., Black History Week, Day of Missions and Day of Prayer.

The aim of the committee was to inspire, challenge and reveal Jesus, our Lord to us in new ways. Our dedication to and love of the Lord was their prayerful aim.

CHAPEL — GUIDANCE AND INSPIRATION

. . . but Jesus said, "Let the little children come to me, and do not hinder them; for to such belongs the kingdom of heaven." The purpose of the Saturday Morning Club is to provide entertainment for the children and to introduce them to Jesus. The Lord has truly provided us with a way to communicate our Christian love with so many children who are starved for affection. Backbone sessions with much prayer hold the workers of this group together.

Grandparents are folks to be treasured and to learn from. Being on campus, students are sometimes isolated from wise grandparents. This year, students decided to reach out to these people by "adopting" them.

Sharing the Gospel of Jesus Christ has been the aim of this faction of CAP. Armed with Bibles and prayer, members canvassed the Elgin area, knocking on doors, asking families if they might share with them. They had frustrating times and joyous times as doors were shut and hearts were opened. A few accepted Jesus as their Savior and many had seeds planted in their hearts. Truly they were in obedience to "spreading the Gospel unto all Nations."

Apprehension. Tension. Excitement. Choir try-outs were about to begin. From the choir room a few nervous giggles were heard. La-la-la's echoed as potential members bravely attempted to remember the notes Mr. Ed just played for them. Ah, the easy part--sing a hymn. A solo!? Try- closed, with difficulty members were chosen and 90 students began to practice for a hectic, yet fun-filled growing year.

Late October took 40 singing troubadours on fall tour throughout NI and OH. Singing at the Ohio Baptist Convention's Sesquicentennial was one of the highlights.

By Winter everyone knew their music and was prepared for a schedule full of action. The Christmas program was one long to be remembered as the choir sang Britain's CEREMONY OF CAROLS and were joined by First Baptist's choir to sing Nelson's CHRISTMAS STORY. January took members to Channell 11 Television station to share on "Sunday Evening". Downstate Illinois was the site of Winter tour. The Heart Fund benefit concert is always a highlight.

Spring found members fewer in number, but with a fuller schedule. The Elgin Community grew to further appreciate Judson's choir as they performed at Hemmens both Beethoven's 9th Symphony and a Bicentennial concert.

Spring Break Tour had to be the most thrilling endeavor this year. In Phoenix, three managed to lose their way on the desert, one tripped over a rattlesnake, "Mr. Desert" (Joel) demonstrated how to avoid getting pricked. In Chula Vista choir was reunited with the bus driver they had 5 years ago when touring Calif. This time was joyously different -- he accepted Christ! Many places were visited but the climax of the tour was meeting Dr. and Mrs. Benjamin P. Browne. Dr. Browne was an inspiration to all and left members with a challenge to appreciate Judson and to strive to improve it. Mrs. Browne was showered with flowers and Dr. Browne with a new red Judson jacket as a farewell gesture. Long will be remembered the impact of this mighty man of God.

SPIRIT OF

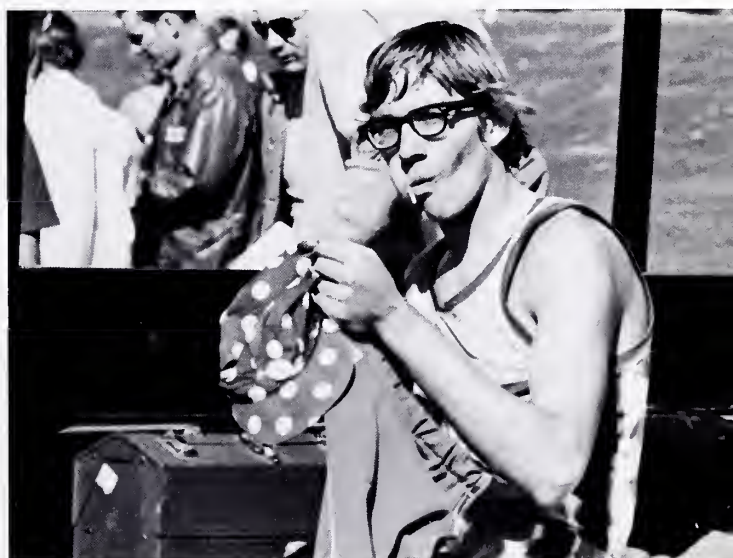

The athletic department saw many changes, two of which were the addition of James Sziksai and Lois Moulton. Mr. Sziksai is athletic director, head basketball coach, and professor. Miss Moulton teaches and coaches girl's sports.

New facilities include tennis courts, a soccer field, a baseball diamond of un-sinkable design, and a load of rocks for the cross country course. The cross country team finished 2nd in the conference and 5th in the NCCAA with a 15-2 dual meet record--the best record of any team in Judson's history. The soccer team won their way to Virginia and finished an outstanding 2nd in the NCCAA.

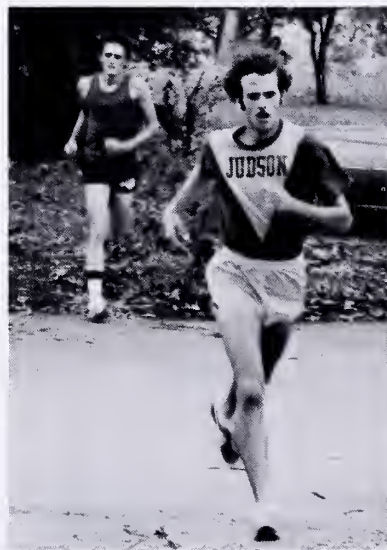

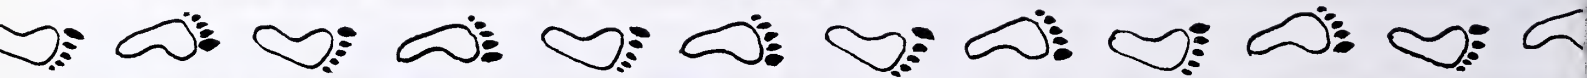

Another high point was Tom Randall's spectacular basketball season with numerous records broken. The climax was his acceptance to the Sports Ambassador's Basketball Team.

The women's sports were especially boosted by male athletes. The lack of participants was a key problem to development. However, with encouragement, perserverence, and a lot of work they too can become a winning team.

SPORTS

CROSS COUNTRY RUNNERS ENJOY SWEET VICTORY

The Cross Country team went into the season with high hopes. All summer the 3 returning lettermen, 2 eligible transfers, and 1 freshmen made plans to clean the competition. Several runners took a turn for the natural when they ran in bare feet. This year's team was proud of a 15-2 seasonal record, yet were disappointed about losses to Conference foe IBC and Lewis University. Several team records were set when they won 8 consecutive dual

meets, 6 straight home victories, and 4 perfect scoring meets.

Duane Young, Most Valuable Runner, led the way for the Eagles to win the Judson Invitational, and Jim Fay placed 7th, Stan Brown 10th, Bill Wolfe 14th, Mark Diehl 16th, and Kevin Kelly 37th. Jim Fay, Most Inspirational, ran his best meet when he took 10th at the Spartan Invitational.

RANDALL HITS 2000 MARK AND LEADING SCORER IN NCCAA

The 1975-76 Judson basketball team compiled a somewhat disappointing 4-22 season record. However, that record does not indicate how competitive the Eagles were. They lost over six games by six points or less. Dr. Ryder commented that the team continued to have good morale all through the season and outstanding team unity.

The Eagles were involved in one of the most unusual seasons in its history. Tom Randall topped off his four years at Judson by hitting 2381 points total. Scoring 375 points this season made him leading scorer in the NCCAA and third leading scorer in the NAIA. He set four NIIC records and seven school records.

For the seven returning players there was a new coach, James Sziksai, to adjust to. For coach Sziksai there was the task of developing a new basketball team. Both worked together, won together, and lost together. The hope for a winning team next year is always a promising one.

SOCCER TEAM TRAVELS TO VA; SECOND IN NCCAA

The Judson Eagles soccer team was coached to a second place finish in the NCCAA tournament, in Harrisonburg, Virginia, by Coach Woody Smith. Judson won four straight postseason games before losing the championship (2-1) to a physical Bryant College, from Tennessee. Outstanding play in this national tournament led to the selection of five Judson players to the all-tournament team; Abebe Aychelouhem (offense), Serawite Tadesse (offense), Tom Randall (offense), Reggie Smith (Defense), and Colin Novak (goal defender). This was the first time the Eagles had competed on a national level. The team took many people by surprise after their 6-7 season record.

Other individual awards came to a number of Eagle players. Midfielder, and co-captain, Reggie Smith was voted second team defense-NAIA District 20 and all-NIIC defense. Serawite Tadesse was selected to the all-NIIC offense. Abebe Aychelouhem made honorable mention NIIC. Sweeper-fullback and co-captain, Steve Sherbondy was voted most valuable by his team mates. Center-fullback Dave Hatcher received the Most Improved Player award.

A GAME OF LOVE

"This was a building year for the Tennis Team," says Coach Cassells. Only one of the eleven players played on a highschool or college team before. Strenuous pre-season training involved workouts on the weight machine, and miles of running. 'Tennis elbow' and pulled muscles plagued players throughout the season.

Their schedule included meets against Aurora, Concordia, ECC, and two against Olivet Nazarene. The doubles team, Paul Lamb and Randy Marshall, in the Concordia meet won a tie breaker match 11-10, while Jeff Sexton and his partner Randy Leggee won a 10-2 match. If the singles matches had turned the Eagles way, they could have had a victory; as it was they ended with a 0-5 record.

Steve Swank, Randy Leggee, Jeff Sexton, Don Rissler, Mr. Cassells, Barry Parsell, Rick Crompton, Paul Lamb, Randy Marshall.

THE TEAM IS A HIT

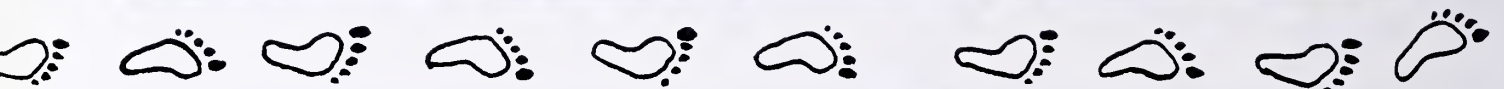

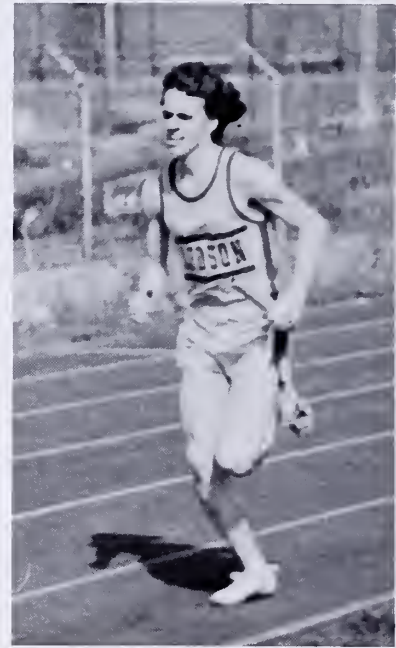

Way to go team! Although this year was not a winning experience, the team maintained their spirit and gave baseball all they had. The team had spirit and they had fun playing baseball and getting to know other teammates better. Sweat and toil brought these fifteen men into a closer relationship with one another.

REGGIE IS A CLEVELAND INDIAN DRAFT CHOICE! Reggie received this honor which is indeed rare. Not only was Reggie honored but all of Judson, too. We hear Reg even has a baseball card now!

TRACK & FIELD MEETS THE TASK

Passing through a museum, one might gaze upon marble sculptres of the muscular physiques of the ancient Greek athletes. Our team may not give the ancient Greeks competition, but they brought us a good showing in this year's events. Undoubtedly, running on Rt. 31 gave them added zest to perform at meets.

THE EAGLETTES MOVE TOGETHER IN INTERCOLLEGIATE SPORTS

The 1975-76 volleyball team was a young squad. Every player was a freshman except middler Brenda Heavin. It was even Miss Lois Moulton's first year at coaching. Team improvement was evident as the season progressed. Late in the season they captured one victory over Highland Community College, 15-13 and 15-5.

The Eaglettes basketball team played an impressive 63-48 win against Highland Community College, which set a new scoring record. In playing a 13 game schedule, they set another new record of 4 wins. Coach Moulton was aided by student Stan Brown.

Plagued with a lack of participation the softball team consisted of 9 girls. Even though injuries seemed to make conditions worse, the team never lost their spirit or the desire to develop their skills.

The Women's athletic department saw great improvement in inter-collegiate volleyball, basketball, and softball teams. They were really pleased, too, with the support they received from the student body. The Eaglettes hope to keep showing stronger growth throughout the upcoming years.

OF ACTIVITIES

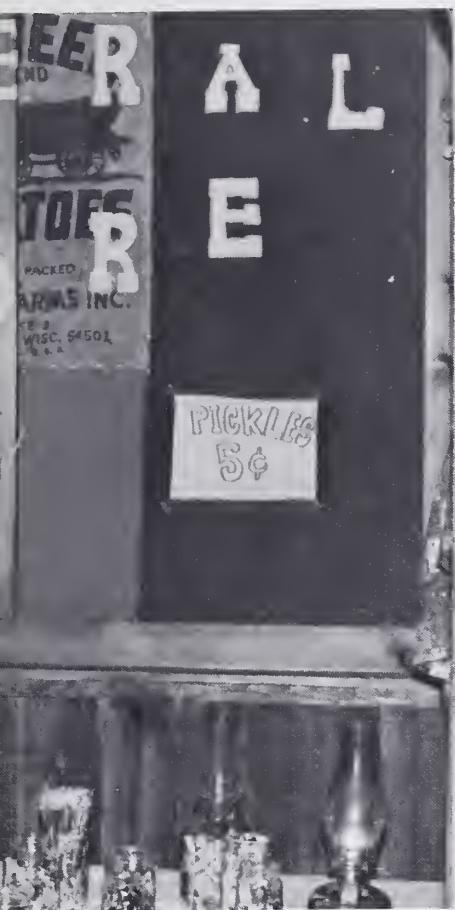

TRAILS

"Godspell", "Glass Menagerie" Spring Banquet, "The Tender Land", "Ghost and Mr. Chicken", Dana, the "Follies" - do they strike a nostalgic chord in you? It's very likely that they would, because these are just a few of the many activities which played such a vital role in the Judson lifestyle during this school year.

Remember "Godspell"; how it lifted our spirits with the innovative addition of a resurrection scene? And how about "The Tender Land", the American-composed opera, which really celebrated the bicentennial; remember that? Then there were the "Follies", a hilarious adventure produced by the men of D.R.; try to forget that. Yes, it's been good, and I think we can look at the activities of the year and smile with pride. The organization, quality, and participation at each event was excellent, and everyone was enriched by having an opportunity to be involved. Whether it was simply a study break in the Eyrie, or a large scale production in the theatre, it was well done and much appreciated!

We can only guess what tomorrow holds, but we will do good if we merely match what has already taken place. We've exhibited our talent, our wit, our humor, and our faith through as many mediums as there are people here at Judson. We couldn't ask for more. Let's smile at our wonderful past and look forward to our future with confidence and joy. We still have a lot of activities to be an integral part of; let's take advantage of this opportunity. Good job!

PRAISING GOD THRU MUSIC

Praise God! He truly is wonderful, and this theme is seldom more adequately portrayed than it is through music. Although many groups took this year off to recuperate after very taxing schedules, we did manage to plan a very exciting music program, capitalizing on our own rich supply of talent. Choir concerts, talent shows, and the like brought many hours of entertainment to our sometimes weary souls. Such big names as Honeytree and the Archers made the year a very good one.

THE GLASS MENAGERIE

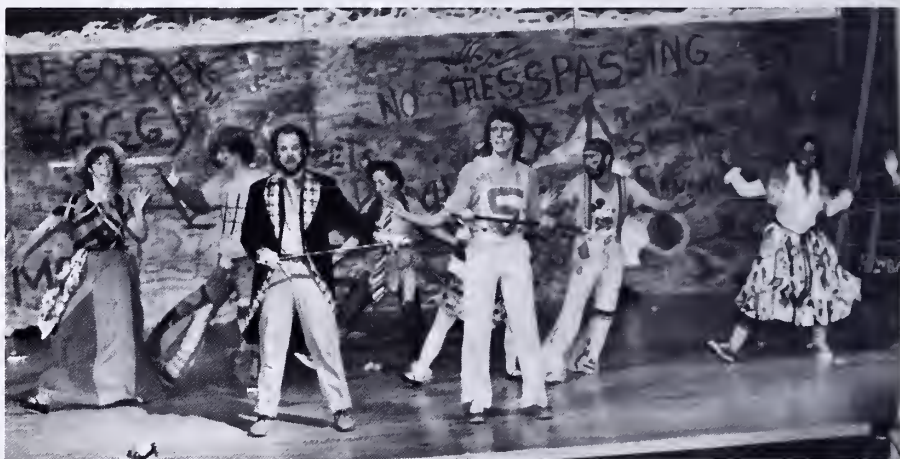

For two whole winter months the drama department diligently worked toward the final performance dates of February 18, 19, and 21. Marelu Hammond, Steve Wood, Janie Peters, and Dave Faulkena became the characters of Tennessee Williams' well-known play, "The Glass Menagerie" on those nights.

Directing the play was Charles Golliher, a speech teacher at Ellis Junior High School. Golliher designed the costumes and constructed the set design as well.

The cast did an excellent job in creating the mood of a fatherless family who based their dismal existence on memories. The character, Amanda, constantly harped on past beauty and gentlemen callers. Self-conscious, naive Laura lived in an imaginary world of miniature glass animals. Her brother, Tom, could only hope for something better. It was Dave Faulkena as Joe, "a gentleman caller," who gave a sense of real hope to these unhappy victims of poverty.

Back by popular demand, "Godspell" received praise for its message and great talent. Through music and acting, cast members brought to life the message found in the crucifixion and resurrection of Christ.

STUDENT ENTERTAINMENT: AFTER GAMES & IN THE EYRIE

Entertainment was varied and exciting this year. After game specials took us to the FA theatre and the Eyrie. An abundance of movies were enjoyed by all. Who can forget "What's Up, Doc?" "The Ghost and Mr. Chicken", "Judge Roy Bean", and all the others?

A professional clown was brought in to entertain us by not only making us laugh, but by demonstrating make-up and costume technique. He demonstrated on several students as well. Take a look at page 53; think this could be typecast?!

Dana's comedy hour was certainly representative of Dana. Assisted by Bill Schultz, the straight man, they brought moans, groans, and trickles of laughter from the student body.

Christmas brought the student body to the Eyrie to decorate. Old-fashioned popcorn stringing was just one of the many projects. The Eyrie put us in the mood and reminded us of the true meaning of our Lord's birth.

Movies, singing entertainment, and demonstrations of all sorts were held in the Eyrie.

Excitement. Enthusiasm. Anticipation. Renewed friendships. Flowers. New dresses. Lack of blue jeans. Smiles. Laughter. Screaming. HOMECOMING.

Homecoming chairman, Vicky Wilson, worked diligently to plan the evening's entertainment, while Margo Amos added her decorative touch to the gym.

King and Queen Doug Loomer and Sue Fleshman reigned over the week-end activities. Numerous functions included competition day, the alumni of the year award, the banquet in the gym, photographs of the couples, the soccer game, and the Honeytree concert.

It was indeed a memorable and thrilling occasion.

HOMEcoming

1776

George and Martha Didier Washington greeted couples as a quaint, colonial butler, Prof. Ted Hsieh, announced their arrival at the Hotel Baker in St. Charles, February 17, 1976.

George Washington opened the festivities by crowning Senior Donna Perry 1976 Snow Queen. The queen and court then led the way to a spacious ballroom where couples enjoyed a three-meat buffet and all the trimmings. Dinner music was provided by a string trio from Wheaton College.

Figures from history came to life at Hemmens Auditorium where couples attended the Broadway musical "1776". Rain cancelled the sleigh-ride, but spirits were high as Doug Loomer and Steve Wam-burg provided music and laughs, while DR and Ohio Halls provided snacks and decor in the Eyrie.

Thanks to Brenda Atkinson and her hard workin' banquet committee, the '76' Winter Banquet was better attended than any in previous years-- a smashing success!!!

TENDERLAND

"The essential conflict of the drama is Ma Moss mutely accepting a life which she feels has cheated her; and Laurie, her daughter, eager to start life on her own, hopeful, viewing the future as full of promise."

ENRICHING OUR SPIRITS

S.E.W. came in the middle of winter when we were anticipating spring break, but dreading the two months we had to go through to get to it. Good News Circle started the week with a concert. John Lavender, our enthusiastic and dedicated speaker challenged us and motivated us to a deeper commitment to Jesus, our Lord. Professors opened their homes to students for questions and sharing.

The closing activities involved a communion service and Doug Howell concert. The Communion service was a unique and special blessing because students were asked to write their sins on paper and burn them, signifying that they turned them over to God.

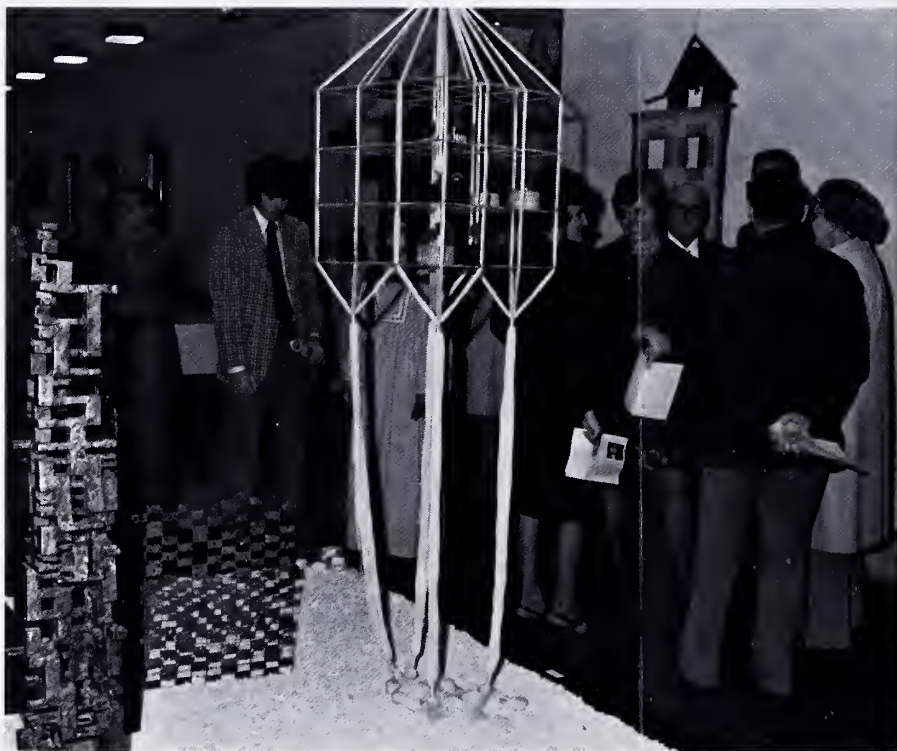

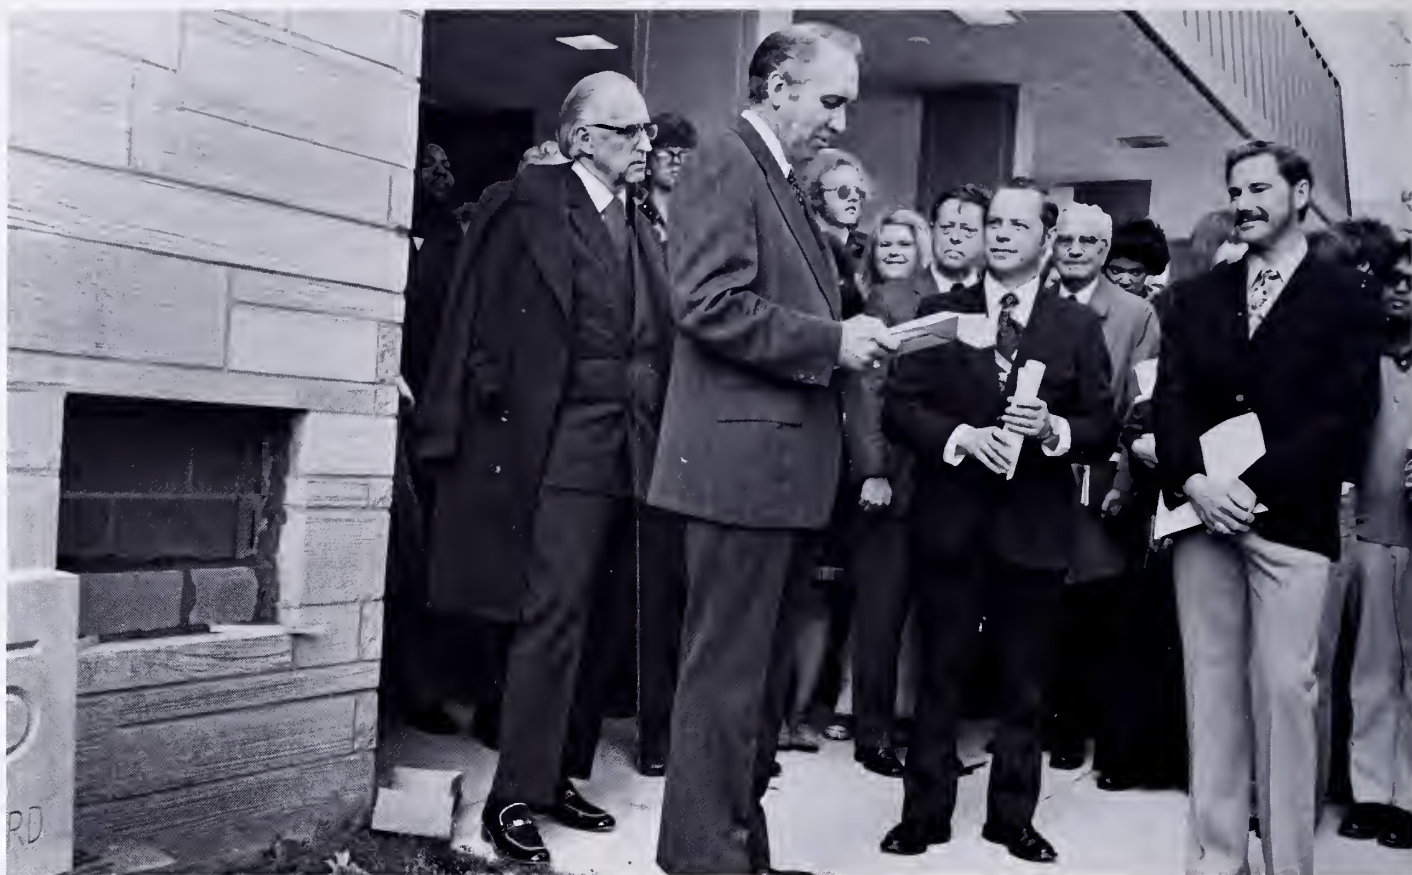

Praise God for this week of spiritual enrichment. Two months of winter didn't seem so bleak after all.

**SPIRIT
OF THE
FINE ARTS
DEDICATION**

Judson's new Fine Arts Building was dedicated November 1 as a part of a three week festival beginning with Founder's Day and concluding with a chapel service by Jerome Hines, the famous international opera star who has been with the Metropolitan Opera since 1946.

Mr. Charles Tanner, founder, author, and director of the Covenant Players, was the speaker for the dedication service. Written by James Cramer and Roger Wischmeier, "The Best of All", the story of the life and ministry of Adoniram Judson, was beautifully performed.

A former professor at Judson, Charles Waugemann, inspired us through a recitation of his poetry in a special presentation with W. Karl Steele, who presented interpretive chalk drawings.

A concert of organ hymns by Paul Manz was another distinctive and rewarding feature of the festivities.

Our own FINE ARTS faculty added to the entertainment by sharing their skillful talents. Recitals were given by Ed and Alice Thompson, James Cramer, Eloise Leftrook, and Gellert Modos. Karl Steele's paintings were on display in the FINE ARTS lounge.

SPRING BANQUET

The Round Dinner Theatre in Chicago was the setting of a smorgasbord dinner and the musical, "A Toast to Broadway," for the 1976 spring banquet. One hundred students, faculty, and staff members enjoyed the "Country Fair" banquet.

Coronation and reception for the king and queen were held prior to the banquet on campus that evening. Seniors Sandi Barouski and Doug Brown were crowned queen and king. Court members were: Jody Stuart, Tom Randall; middlers - Jimmy Schaefer, Paul Lamb; freshmen - Dena Good, Brian Furrow.

Judson's faculty are well respected members of the campus community, Elgin community, and area churches. Their capabilities, intelligence, and character are above reproach. Perhaps the most outstanding quality of our faculty is their caring and involvement with students. Seeing a tear roll down the cheek of a dorm father because of "their child's" misfortune is not rare. It is always exciting to see profs bare their arms to give blood, and bare their legs for a beauty contest.

Professors, assistant professors, instructors---WE SALUTE YOU!

SPIRIT OF FACULTY

CHRISTIAN RELIGION AND PHILOSOPHY

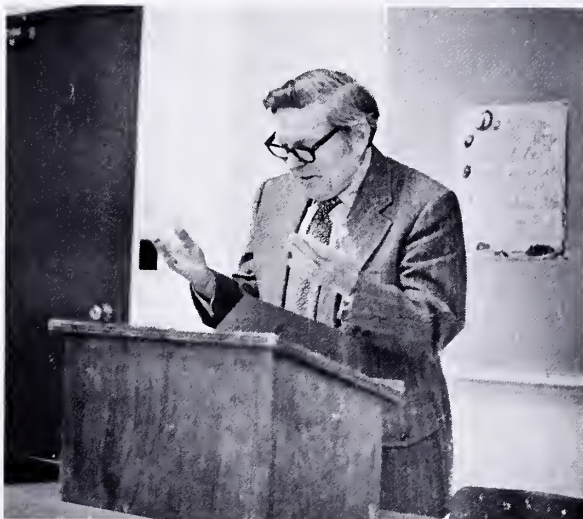

CHRISTIAN RELIGION and PHILOSOPHY offers the student a variety of course selections in human values, reasoning, interpreting the Bible, apologetics, and religious and political philosophies.

ROBERT D. ERICKSON - University of Minnesota, B.S.; Bethel Seminary, B.D.

RICHARD BESCANCON - Wheaton College, B.A.; Baylor University, M.A.; Northern Baptist Theological Seminary, B.D., Th.D.

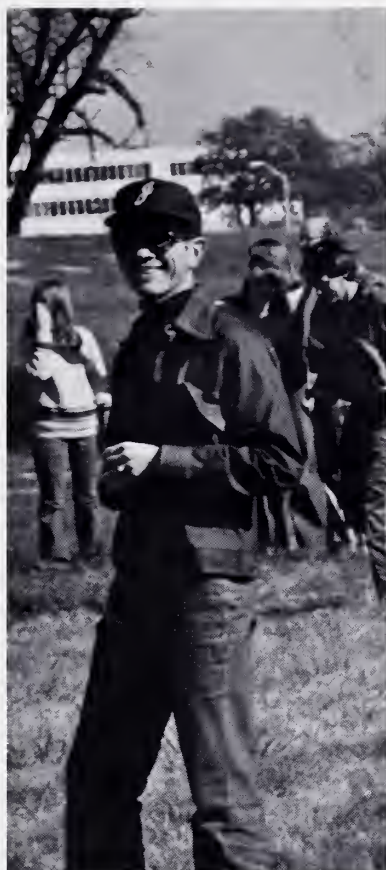

"The Spirit of '76' means for me an ideal of courage in the human situation. It is a call to affirm a qualitative existence even at the risk of possibly losing a quantitative existence. As a Christian I must see it as service to the will of God, but I must also recognize that for some it may mean only a commitment to man. The Spirit of '76 points to a basic freedom which provides the environment for maturing a better life."

DEAN EDGAR BOSS - Wheaton College, B.A.; Northern Baptist Seminary, B.D., Th.D.

COMMUNICATION ARTS

COMMUNICATION ARTS includes a variety of areas to meet the needs and interests of the students. Included are British, American, and Continental literature, journalism, mass media, linguistics, speech, and oral interpretation.

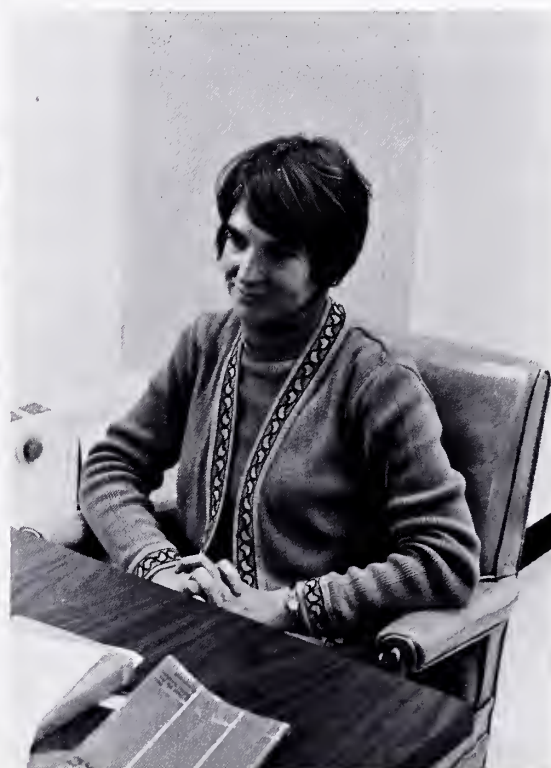

STUART A. RYDER - Yale University, B.A., B.D., Ph.D.

The Spirit of '76 means...We must always be prepared and open for change and readjustment of values; political values.

MRS. J. HAMLIN - University of Illinois, B.A.; Northern Illinois University, M.A.

BROOKE TRANSUE - University of Michigan, B.A., M.A.

Vocal music, Instrumental music, Visual Art, and Theatre are the foci of the FINE ARTS division. Emphasis is placed on creativity and individuality.

ROGER W. WISCHMEIER - University of Nebraska, B.M., M.M.

The Spirit of '76 should remind us of the heritage on which our country was built; Biblical principles in Second Chronicles 7:14: "If my people shall humble themselves..."

CLARENCE YOUNG - Wheaton College, B.A.; Wheaton College Graduate School, M.A.; Northern Illinois University, M.F.A.

The Spirit of '76"... doesn't mean much. One year isn't much different than any other. After being in Japan for so many years...it's still home and I'm glad to be here."

JAMES D. CRAMER - Wheaton College, B.D.; University of Georgia, M.F.A.

The Spirit of '76 is the ideal that each man is to be looked upon as an individual with Individual rights, a person whom God loves and is to be respected. Man is capable of a great deal of technological improvement, but there are a lot of ideas throughout that man is infinitely capable of self-improvement. This optimistic view of man's dignity and the whole world he relates to is not in complete agreement with the founding fathers that man is inherently good. The U.S. has been the pace-setters of democracy; the sense of pioneers should be carried proudly.

ELOISE LEFTROOK - Chicago Musical College, B.M.; Temple University, M.M.

The Spirit of '76"... means freedom and sacrifice to me."

EDWARD THOMPSON - Wheaton College, A.B.; Northern Baptist Theological Seminary, Th.M.; American Conservatory of Music, Mus.M., D.M.A.

It means courage and self-confidence. We had men with guts, courage, and conviction! They believed something and dared to act.

ALICE THOMPSON - Wheaton College, A.B., B.M.E.; American Conservatory of Music, Mus.M.; Northern Illinois University, CAS Candidate.

FINE ARTS

HUMAN INSTITUTIONS offers a variety of courses in economics, business, history, and government.

JOHN E. JUERGENSMEYER - University of Illinois, B.A.; Princeton University, M.A., Th.D.; University of Illinois, J.D. (L.L.B.)

I am exceeding tired of the red, white, and blue gimcracks; you know, the trash on everything that is red, white, and blue. I do like the fire hydrants.

RICHARD H. CLOSSMAN - Bob Jones University, B.A.; Northern Baptist Theological Seminary, B.D.; Ohio State University, M.A., PH.D.

The Spirit of '76 is 200 years...a lot of American history.

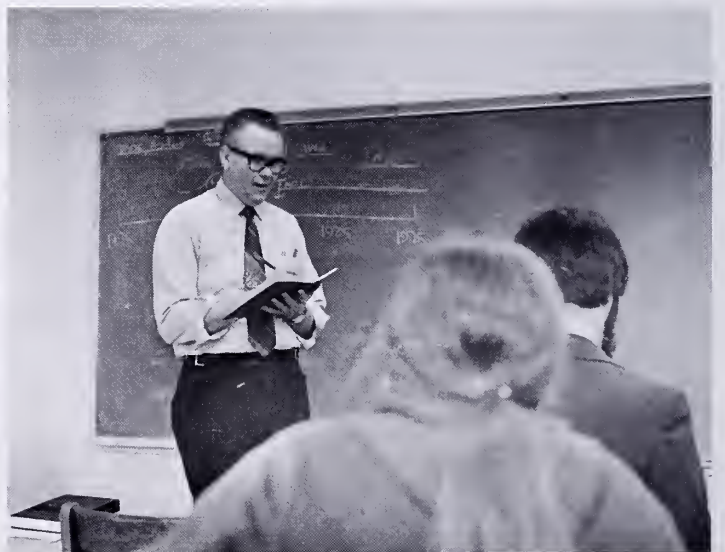

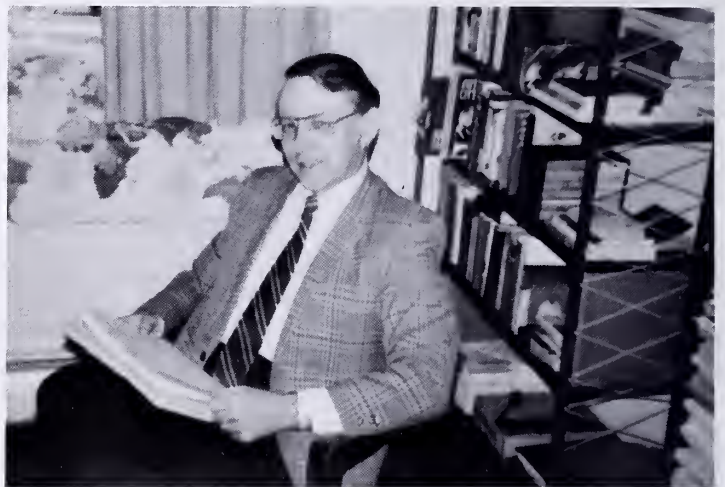

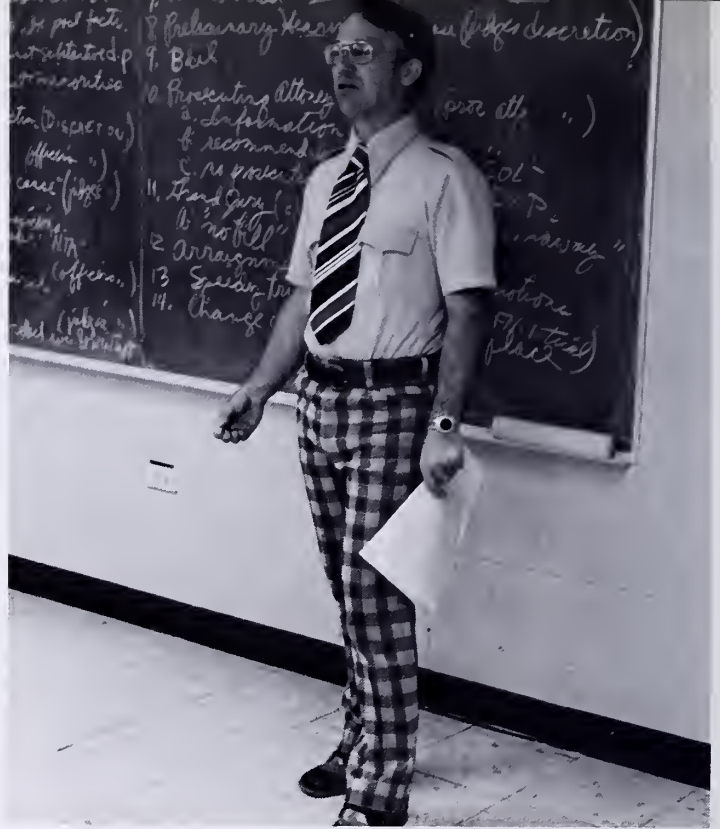

MARC CLEWORTH - Morningside College, B.A.; University of Chicago, M.A.

As to my way of thinking the Spirit of '76 should be a recognition of the struggle of America...the message of freedom brought to the whole world...not everyone benefitted by it, but the need was there.

RONALD RICHARDS - Wheaton College, B.S.; Northwestern University, M.B.A.

I could be American and say Gulf Oil. No...unfortunately America has gone away from the spirit of the founding fathers. The matter of the pioneer spirit; people change more and advance.....People have become more and more subjective to government and sacrificing freedom for security.

HUMAN INSTITUTIONS

PHYSICAL EDUCATION

The PHYSICAL EDUCATION program is quickly growing and expanding its curriculum. Already it includes exercise programs, team and individual sports, personal hygiene courses, coaching, and first aid and treatment of injuries.

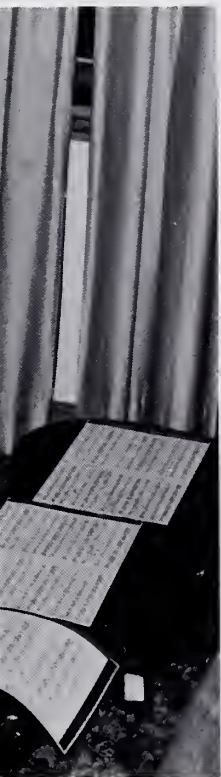

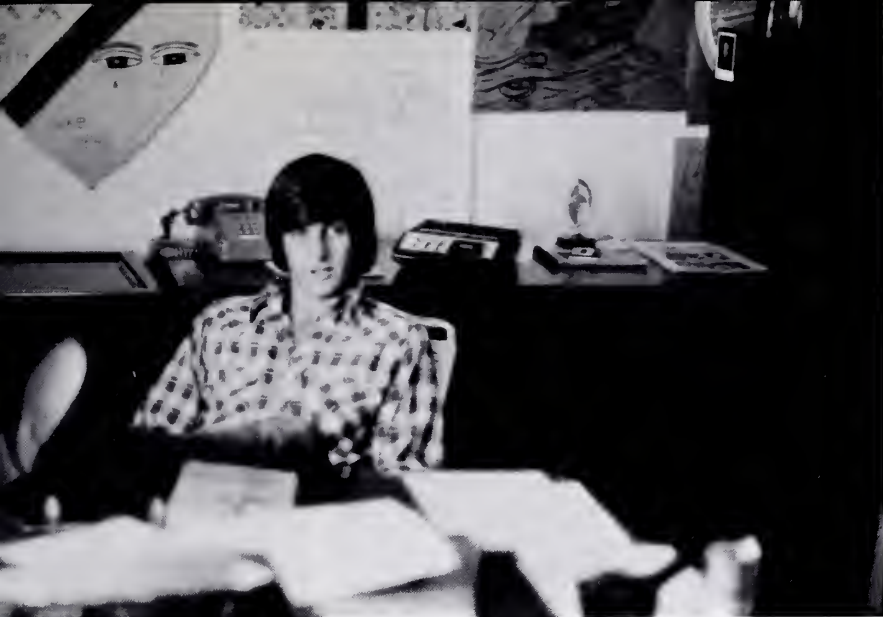

JAMES SZIKASAI - Barrington College, B.A.; University of Rhode Island, M.S. candidate. The Spirit of '76 is 200 years ago and since it's my first year here, I hope this will be the birth of Judson in terms of athletics. Judson, through athletics, can take a place as a Christian school. America should be proud of its 200th birthday. Judson students, faculty, and staff should be proud, too.

FORREST E. SMITH (WOODY) - Judson College, B.A.; Northern Illinois University, graduate studies. The Spirit of '76 is...well...well...can I have a few minutes? I've got to make up a test for tomorrow. Well...it's energy, enthusiasm, adventure of the people of the U.S. in the last couple of hundred years and now.

LOIS MOULTON - University of Wisconsin, B.S. I'm tired of all the bicentennial colors. It's the motto of women's sports at Judson College.

DON KRAUS - Judson College, B.A.

HUMAN RELATIONS

The study of HUMAN RELATIONS involves Psychology, Sociology, Anthropology, and Social Welfare. Also included here is the Teacher Education program. The ultimate purpose of these studies is the better understanding of human nature and behavior, and greater effectiveness in dealing with human problems and potentials.

THEODORE T. HSIEH - Trinity College, B.A.; Northern Illinois University, M.A.; Trinity Evangelical Divinity School, M.A.

JEANETTE HSIEH - Westmont College, B.A.; Wheaton College, M.A.

The Spirit of '76... Good heavens! I'm so busy with Man and Science I haven't thought about the Spirit of '76. Can I give you an answer tomorrow?

MARK KEYSER - Judson College, B.A.; Trinity Evangelical Divinity School, M.A.

E. STEVE CASSELLS - Chadron State, B.S.; University of Arizona, M.A.

JAMES W. DIDIER - Alma College, B.A.; Northern Baptist Seminary, B.D., Th.M.; Michigan State University, Ph.D.

The Spirit of '76 is a slogan... with positive connotations that carries a wide range of motivations for good behavior.

Not Pictured:

ABED ISMAIL - Covenant College, B.A.; Bemidji State College, M.S.; Bemidji State College additional studies; Oak Hills Bible Institute; The Near East School of Archaeology, Jerusalem, Jordan.

ROBERT WESTLUND - Judson College, B.A.; Loyola University, M.A.

The Spirit of '76 is Union Oil stations. Gosh, I don't know. Drummers, buglars, flag carriers,...

SCIENCE-MATH

ELIZABETH JUERGENSMEYER - Oregon State University, B.S.; University of Illinois, M.S., Ph.D.
I'm very tired of cheap red, white, and blue rick-rack.

FRANK AVERILL - University of Florida, B.S., Ph.D.

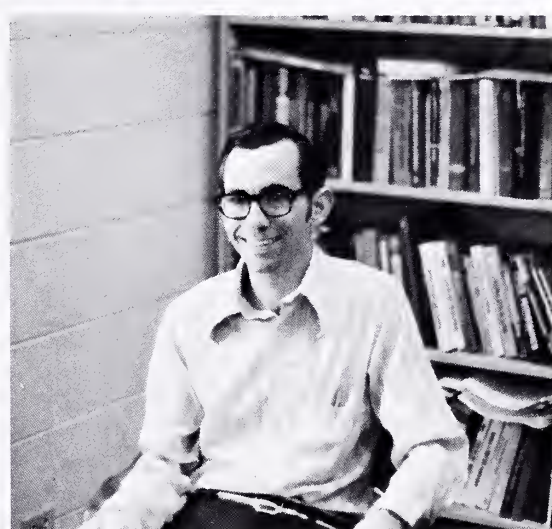

The Spirit of '76 is the enthusiastic service you get at a filling station.

ROLF MYHRMANN - Columbia University, A.B.; Northwestern University, M.S., Ph.D.

The Spirit of '76 is adventure...the freedom to be what and who God created us to be.

Having a dedicated staff of Ph.D.s who have been called into the service of Jesus Christ, this department offer courses in Biology, Chemistry, Physics, and Mathematics.

SPIRIT OF ADMINISTRATION

AND STAFF

As each member of the Body of Christ is vital to the proper functioning of the Body, so is each administration and staff person. Each has a job with unique responsibilities. Each has a unique talent and ability to perform their duties. Without each of these persons Judson would not have the strength and witness that it has today. Each job, each person is a necessary part of the whole.

GERRY CRADDOCK

JOYCE ANDERSEN
Secretary to the Dean of the College

PRESIDENT

In a nutshell, the President is primarily responsible for everything that happens on and off campus to students, staff, administration, trustees, and all constituencies: the Elgin community, 600 churches, the pastors, members of the President's Club, the executive secretaries of the various states, the parents of students, and the alumni, and doing all to fulfill our commitment to Christ.

The President's job is to orchestrate all these segments and develop a harmonious whole."

President Weber has this to say:

"Our desire is that we would continually strengthen our personnel, curriculum, facilities, and student body. I feel all of these have been accomplished this past year. Our growth in faculty has been with people who certainly complement the purposes of Judson College. Our student body has grown dramatically, our facilities have been improved through the playing fields, as well as tennis courts and other smaller items. We marvel at the continued blessing of God upon the work of Judson College and count it a marvelous privilege to be a part of all that God is doing here."

DEAN

Dr. Boss, as Judson College Dean, is responsible for Judson's educational program. He is particularly involved in improving the curriculum and learning resources. Looking for and securing new faculty keeps him busy.

The goals and accomplishments of Dr. Boss this year have been numerous:

"(1) to establish a new co-operative Teacher Education program;

(2) to carry out curriculum reform;

(3) to secure a major grant-funding curriculum;

(4) to initiate a self study aimed at preserving accreditation;

(5) to maintain institutional stability during discussions of tenure rights and salary schedules between faculty, administration, and trustees;

(6) to provide customary academic services, such as registration, record keeping, and library books."

ACADEMIC AFFAIRS

LIBRARY REGISTRAR TEACHER EDUCATION

To say the library has made improvements this year is a gross understatement. Fall arrival revealed a new CR and P room, more study area in the main library, a continual arrival of new books, a beautiful stereo/radio, and a QUIÉT! atmosphere.

Of course, the Registrar's office is always buzzing and overflows 4 times a year when registration for a new tri opens. Efficiency and helpfulness are obviously their concerns.

Mrs. Hsieh is forever busy counseling teacher education students, planning curriculum, and communicating with cooperative colleges.

STUDENT AFFAIRS

Under the wise direction of Dr. Didier are STUDENT LIFE, HEALTH SERVICE, STUDENT HOUSING, HOUSEPARENTS, and FINANCIAL AID and PLACEMENT.

This office is responsible for the coordination and supervision of all student activities outside the classroom. These activities include all co-curricular activities, such as banquets, athletics, WJUD, Lantern, Lamplighter, concerts, films, Student Senate, and reach-out teams.

Supervising student housing consumes much time. The housing staff desires to provide the best atmosphere for students.

The Health Center is also managed by this office. Providing preventative medicine, aid, the cure of illnesses, and offering students an atmosphere of concern are the goals of our nurses, Joan Didier and LaDonna Sunderman.

Frequented by every student is the Financial Aid office. Here Pat and Joan work diligently to find suitable financial assistance for those in need of this aid.

DEVELOPMENT

Under the direction of Harold Blatt, this office is responsible for communications, student recruitment, fund raising, and alumni activities. The operation of the college is their major concern.

Development is always busy and always ready to lend a helping hand or encouraging word. Their operations are another manifestation of the work of the Spirit in '76.

BUSINESS

SUSAN FITZWILLIAM, Accounting; RUTH YOUNG, Accounting and Mailroom; MARLISS LARSON, Accounting; WILLIAM STROUP, Coordinator of Computer Operations.

The economic life of Judson is under the auspices of F. John Fitzwilliam. He is responsible for expenses during the school year and must use income in the best interest of Judson. Never ending is this battle to "make ends meet."

Students are made soberly aware of one function of the Business office as statements of tuition and fees are placed in their hands.

Under the direction of the Business office are MAINTENANCE, CAMPUS POST OFFICE, FOOD SERVICE, and BOOKSTORE.

FOOD SERVICE

DISHROOM - OUTSIDE: David Schoonhoven, Kathy Klein, Vanessa Anderson; **INSIDE:** Nan Linn, Carla-Jo Grogan, Beth Scott, Bob Ouellette.

Coronet Food Service brought many good changes to the cafeteria: the necessity of I.D.s, the Beef Board, a new line for cold sandwiches, drink machines in the cafeteria, meals on Sunday evenings (instead of peanut butter & jelly), and a caring atmosphere.

BOOKSTORE

Bookstore manager, Peggy Webster, works diligently to keep textbooks, inspirational books, toiletries, candy, stationery, and school supplies on hand at all times. Christian music plays throughout the store during business hours.

SPIRIT OF

FRESHMAN

Camp Judson! Sleeping in beanies. Carrying the books of upperclassmen. Air raids. Remembering to say "Sir" or "Ma'am". Wearing signs. Not knowing whether to avoid big brothers and sisters or to cling to them for protection. As fun day approaches, nerves are on end. Like penned-up stallions, frosh waited in their rooms for their big sisters and brothers to pick them up. Meeting the brisk night air after being herded out of the dorms, freshmen began to stammer the Alma Mater. Myrna Gaston, because of her lack of vocalization, was required to sing a solo, with the help of her big sis. Not much help--her big sis didn't know it! Blowing bubblegum in a prone position, only to find gum stuck to noses, chins, and beards. Pushing ping pong balls uphill with noses. Being greeted by a swarm of angry bees. Tossing greased water balloons. Eating slimy "fish" and hot spaghetti. Playing with papier mache. Sliding through a mud pit. Dress up day.

These are just a few memories freshmen will recall.

SPIRIT OF MIDDLERS

It's been a good year! We've led, we've followed, we've grown. We have dabbled in spirituality and tinkered with godliness, but now let us really forsake all else and follow Christ. No easy road, but we have shown our enthusiasm in accepting a challenge.

We have been blessed greatly in the many things which we have done in the past here at Judson, and now it is time to be a blessing, to God first, and then to those around us.

Praise God, Middlers, let's go!

SPIRIT OF SENIORS

One more year! First in line for registration. "Senioritis". Recitals. Graduation. Goodbye, Judson College. Hello, world.

The spirit of seniors evolves from the reality that only one more year remains. To say the least, this final year is an emotional one. Seniors are joyful knowing that that long-awaited B.A. degree is soon to be in hand.

Yet, not like any year before, seniors are serious. Necessary requirements must be completed - recitals, independent studies, papers, papers, and more papers.

THE SPIRIT OF GRADU - ATION

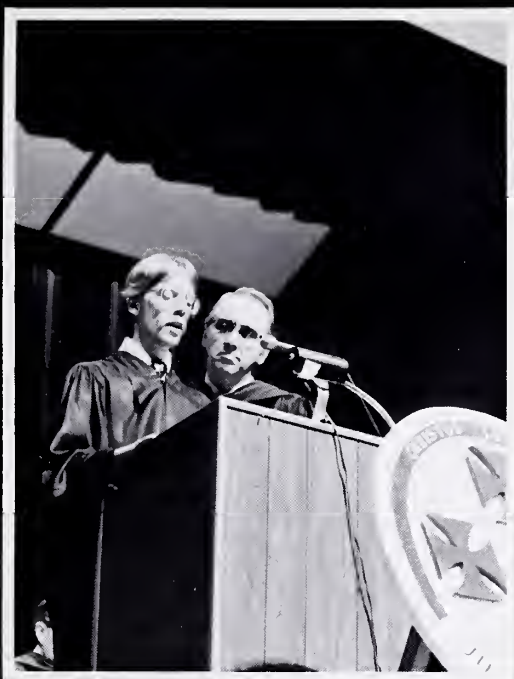

Graduation? It was the last thing on our minds three or four years ago. Now on panther's paws, this creature has come with awesome silence, striking with stunning swiftness. A moment for joyous and, perhaps, painful memories, then all goes on. Only present and future remain as the past, refined in mental smelteries, is cast as eternal reminiscence.

For a brief span of time shouts of, "It's all finished!" echo the halls, but these give way all too quickly to, "What am I going to do now?" It isn't an end, but rather, a frightening beginning. However, heads are bowed to God and new strength is found, as when we were freshmen and college loomed an ominous task. All is well.

Graduation is a marvelous beginning; we are all the freshmen of life.

BICENTENNIAL

CLASS!

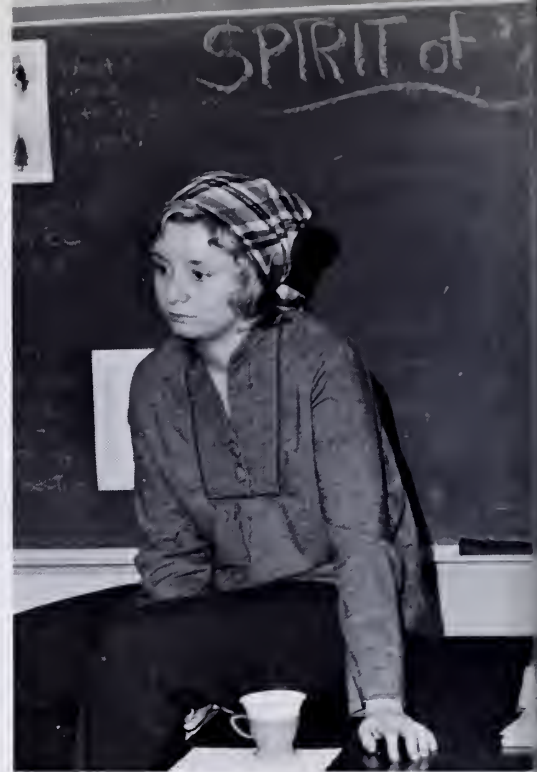

Lantern staff worked diligently this year to produce what they hoped would be the best quality yearbook in Judson's history. We're proud to have our name on this book. Working on it has been a real learning and growing experience.

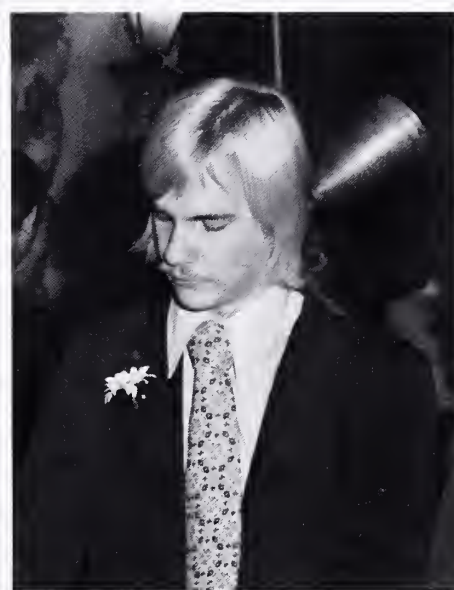

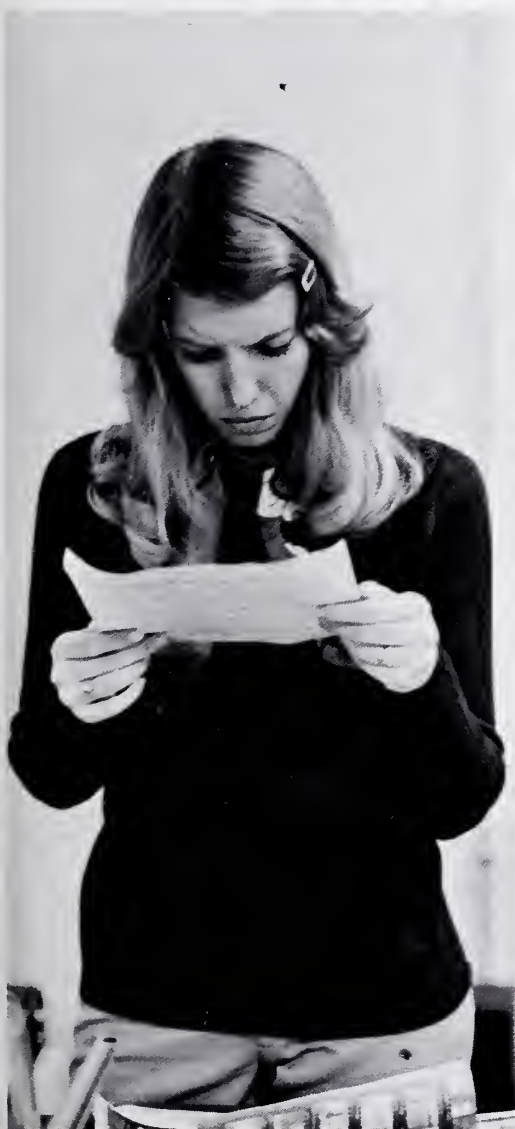

Carrying the theme, "Spirit of '76," throughout the book was accomplished in copy and artwork. Desperately, we tried to have a variety of candids. Student artwork is spaced within the covers and without. We looked for an outstanding cover and was provided one by the hands of Kelly Wallace. Providing copy for each page became a painful plus. Our three fold-out sections certainly add to the book. We provided a lively and relevant ad section by including top-rate ads, coupons, and student photos.

Work is indeed the word to appropriately describe the book, but dedicated staffers were excited and thrilled as their creativity expanded and finally came into print. All the late hours were indeed worth it.

This book is our gift to you.

LANTERN STAFF WORKS HARD TO CAPTURE SPIRIT OF '76

Many thanks to those who offered help when we so desperately needed it! They were invaluable: Circle K members, Sally Ackemann, Brenda Atkinson, Buttercup, Jim Fay, Chris French, Carol Gerdes, Ron Gray, Pat Hargis, Alan Hodges, Dan Hone, Barb Hunter, Kevin Kelly, Dorette Kuhn, Paul Lamb, Dana Larimore, Tom Laxton, Vandora Lebegue, Marilee Maddox, Keith Miller, Jill Roberts, Bill Schultz, Joel Shuflin, Mike Wood, and all the others we've forgotten to mention.

Dear Judson Family,

Before I am wholly immersed in the flood of wadded papers at my feet, I must conclude that what is on my heart cannot adequately be expressed via the written page. My concerns are basically two-fold:

Please offer all Judson Lantern editors your assistance, your support, and your encouragement. Keep them always aware that their efforts are appreciated and worthwhile.

Most importantly, let the Spirit of eternity REIGN in your life. Permit Him His rightful place as Head. Only when this occurs will you LIVE. Please, I beg you, allow the Holy Spirit's REIGN today and always.

May His grace and mercy be upon you.

Deb.
